The Nation's Number 1 Network of Independent Optometrists

About Us

That Personal Touch

Because each Vision Source office is owned and operated by an independent doctor of optometry, you get personal care and attention. Your entire experience, from exam through fitting and follow-up, takes place under the watchful eye of the owner, so the quality of your care is assured.

Top Quality and Value.

With the combined purchasing power of more than --1,305 locations (over 2,500 doctors)in all 50 states, The Vision Source is able to offer designer frames, specialty lenses and all types of contact lenses at prices comparable with any supposedly discount operation. You also get the added value of trained opticians at each office to help you in the selection and fitting of your eye wear.

Personal attention from an independent professional and quality eye wear at value prices. If you're not getting that from your present eye care provider, then see what you've been missing -- contact The Vision Source location nearest you.
